MILLTECH

1 DAY HEALTH AND SAFETY COURSE

at Milltech Training Centre, Toward Road, Sunderland 9.30am – 4pm

This course is designed to give an improved understanding of health and safety at work. Candidates will gain the knowledge and understanding to ensure safety for themselves and others through the identification of hazards and work place risk assessment. The content of the course includes:

- ☉ An introduction to health and safety.
- ☉ Hazards and risks.
- ☉ Risk assessment.
- ☉ Introductory health and safety law.
- ☉ Accidents at work.
- ☉ Safety signs.
- ☉ Control of substances hazardous to health (COSHH).
- ☉ Safety standards.
- ☉ Fire safety.
- ☉ Noise.
- ☉ RIDDOR (Reporting of Injuries, Diseases & Dangerous Occurrence Regulations 1995).
- ☉ HSE Inspector powers and responsibilities.

On successful completion of the course, delegates will be awarded a Level 2 Certificate in Health and Safety in the Workplace. Candidates will also be issued with a full colour, comprehensive handbook to retain in the workplace.

Course Tutor/Facilitator:

The course tutor/facilitator is Mark Clelland who is a Director with Cool Blue Training. He is an experienced and qualified trainer with professional qualifications, including a PGCE, NEBOSH and an MBA. He is currently working towards a Doctorate in Business Administration (DBA). Mark has many years of experience in senior management and business planning roles. Mark's delivery style is interactive and inclusive.
